To Whom it may Concern:

Ms. Strug was my seventh grade Social Studies teacher during the fall of 2011.

I would recommend Ms. Strug because she taught a lot of stuff in social studies. She pushes us so we can have good grades and go to a good high school. She makes sure we do all our work. She doesn't want us to have a little or half. She wants it all done and at least a B, or A, not a D, or C, or even an F because she wants us to be some ~~smart~~ smart people when we grow up. We could be what we want if we were smart and go to college. These are my reasons for recommending Ms. Strug :-).
