Thursday 11/17 Writing Assessment

Please get out two sheets of looseleaf paper.

Gather information:

On one sheet, create a two-column chart. On one side, list details about the way life was for the Native Americans in the Spanish colonies in the Americas (pages 100-103). On the other side, list details about the way life was for the Native Americans in the French colonies (pages 107-109).

(Like this:

Write an essay:

On the other sheet of paper, answer the following question, giving details of at least THREE differences:

How does the French approach to colonization differ from that of the Spanish?

(Staple both sheets of paper together with this sheet to turn them in.)
