The author wants to persuade me that girls ~~cook and clean~~ should be in the cook and clean section and boys should be in the Electric Learning section. ~~It's~~ Girls pink ~~and~~ and boys are blue so the author think these color the Gender will like.

Edgar Garcia 207

The author wants to persuade me to believe that cooking and cleaning is what girls do and boys learning. I know that because they say pink is for girl and blue is for boys.

The author wants to persuade me that girls ~~that~~ don't learn and boys do learn they are smart.

I know this because in the first picture blue is for boys so for that I know blue is for boys and it says learning.
